Ivy Hill Clean-up

The Community Service Committee staged a successful Ivy Hill cleanup session on Saturday October 21st. Thanks to the many garden club members who came out and weeded. The circle around our memorial bench is once again tidy and weed-free.

Steve Beggs Update

As many of you may know, Lola's son, Steve, has been transferred to a Traumatic Brain Injury program at Hermann Memorial in Houston, TX. Lola reports that after a bit of a rough start with some medical complications, he has cleared that hurdle and is starting more intensive therapy. Lola is tag teaming with Martha, Steve's wife, and other family members in Houston to ensure a family member is always with him. Please continue to keep Lola and her family in your hearts and prayers. She does not need any help from us at the moment, but we will be at the ready to help in any way we can in the future. You can follow Steve's progress on his CaringBridge site (caringbridge.org/visit/stevebeggs)

Wedding Photos. Thanks again to all who helped with the wedding preparations. Sara Higgins has shared her wonderful photographs of the finished bouquets and tablescapes.
